DESTINATION WEDDING PACKAGE

CONTRACT SIGNING:

Due to the event taking place over the course of 3 days, I will have to block out my schedule for those dates. Potentially losing an opportunity should this contract fall through increases the non-refundable retainer at contract signing, making it \$200. Don't worry, this cost will be deducted from your Day Of Cost & Kit Fees!

DAY/NIGHT BEFORE:

Wedding Festivities the day & night before will be \$100 no matter how many times we get you ready to welcome your guests!

DAY OF:

As referenced above, \$100 will be deducted from the Day Of Cost.

If there are any Bridesmaids/Guests of the Wedding that would like their makeup done, their cost is \$100 per person.

KIT FEES:

In order for my kit to fly on a plane, there will be a fee. The other \$100 taken at contract signing will go toward this expense, bringing your Day-Of cost to \$0, as the fees will be taken care of a week prior to your Wedding Day.

AIRFARE & STAY:

Once Airfare & Travel are discussed & agreed upon, a new contract will be sent out with those important details involved. This contract will need to be signed, but no retainer will be necessary.
